

# 2023 County Agricultural Investment Program (CAIP) Tenant/Owner Acknowledgement Form

Based on the 2023 CAIP Standard Guidelines and Procedures tenant farmers are required to obtain written permission from the landowner to use the landowner’s FSN on a CAIP application.

This form must be submitted with the application of the eligible tenant farmer.

VI.A.2.C. Limitations for Tenant/Owners that both apply for CAIP:

- i. In the event a tenant secures written permission from the landowner and both apply for CAIP, the tenant farmer and landowner are prohibited from applying for funds within the same Investment Area in the same program year.
- ii. A tenant farmer and a landowner are both eligible to apply with separate FSNs; however, both may not receive funds within the same Investment Area.

This form is for the Administrator to keep on-file for each project involving a tenant farmer receiving cost-share funds through the CAIP in the 2023 Program year.
